Mr. David Patterson, Superintendent
Charlton Heston Academy
1250 N. St. Helen Road
St. Helen, Michigan 48656

Dear Mr. Patterson

Just a quick note to thank you for working with me to have the Charlton Heston mascot and assisting with forwarding the parade information to the different student groups participating in the St. Helen Christmas Parade "Santa Comes to St. Helen". All of the students involved did a phenomenal job

The parade was a big success and was due in part to your generosity and assistance. We are already working on next year's event and how we can make it bigger and better. The Lake Association is hoping the Charlton Heston Academy will again be participating with us in this yearly event.

Thank you again and should you need anything from us, please feel free to contact me at the number listed above.

Sincerely,

A handwritten signature in black ink that reads "Janet Bawol".

John Bawol, President
St. Helen Lake Association
