

Continuity of Learning and COVID-19 Response Plan (“Plan”) Amendment Request

May 26, 2020

Charlton Heston Academy (CHA) implemented the district Plan on April 20, 2020. The Plan has been implemented and evaluated for over four weeks. The teaching staff and administrative staff have continued to follow through with the Plan with fidelity. However, since implementation of the Plan the District has been unable to identify meaningful work for many of the district employees.

The District has continued to follow through with the commitment to all assurances. At this point the District is requesting an amendment to the initial Plan that allows for the making some employees inactive, again due to the inability to find meaningful work/duties that supports the Plan. These employees may include some maintenance staff, some food service staff, some transportation staff, some teacher support staff, and some childcare staff. The current Plan will continue to be implemented in full with the remaining staff which will include all teachers and all administrative staff.

Charlton Heston Academy stays committed to all assurances of the initial approved plan. Specifically, CHA is making this amendment request with notice that it will continue to pay school employees during the balance of the 2019-2020 school year under the same terms and conditions established prior to the school closure order period. Prior to the school closure order period CHA would have made employees inactive if and when there was not meaningful work for those employees.

Name of District Leader Submitting Application Amendment:

David Patterson, Superintendent

Date Approved:

Name of ISD Superintendent/Authorizer Designee:

Date Submitted to Superintendent and State Treasurer:

Confirmation approved Plan is posted on District/PSA website:
