

Charlton Heston Academy

Extended COVID-19 Learning Plan

End of Year Goal Reporting

Date: June 19, 2021

Goal: The median Student Conditional Growth Percentile for students in grades K-8th will be at or above the 50th percentile on NWEA's Measure of Academic Progress for fall-to-winter and fall-to-spring testing periods indicating a minimum of average growth.

Mathematics

Grade	Fall Norm Target	Fall Median	Spring Norm Target	Spring Median	SCGP
K	139.56	143	157.11	159	38
1	160.05	154	176.4	165	24
2	175.04	174	189.42	187	40
3	188.48	181.5	201.08	189	27
4	199.55	194	210.51	203	31

White	31	34

It is important to note that the fall and winter norm targets in this report are taken from NWEA's 2020 Norm Study. This study was completed prior to the COVID-19 pandemic. The pandemic has and continues to impact student instructional time, alter the type of instruction (virtual/remote or in person), and widen the disparity gap. If a norm study was conducted during a pandemic, it would likely yield different targets.
