
Charlton Heston Academy

1. What was the total amount of the district's Section 31a allocation for the 2025-26 school year?

\$950,271.40

2. Describe the district's methodology and decision-making for distributing Section 31a At-risk grant funds to target the buildings with the highest needs.

The district distributes 31a At Risk grant funds based on identified student needs and the instructional areas where additional support will have the greatest impact. The following data points were used to identify students.

- Economically disadvantaged student percentage
- NWEA performance data
- Attendance and chronic absenteeism
- Behavior data
- Credit deficiency and graduation risk

3. What evidence-based interventions and services were implemented with the Section 31a At-risk grant funds during the 2025-26 grant cycle?

- Reading Intervention (Science of Reading/MTSS)
- Math Intervention
- Behavior Support (PBIS)
- Tutoring/Extended Learning
- Credit Recovery
- Counseling/Mental Health
- Attendance & Family Outreach

4. In what ways has the district collected feedback from parents or legal guardians on these interventions and services provided this year?

The district has collected feedback from parents and legal guardians through parent-teacher conferences, meetings with teachers and administrators, phone calls, emails, and other ongoing school communications. Families have opportunities to discuss their students' academic progress, attendance, behavior, and individual needs and to provide feedback regarding the interventions and support services being provided. This feedback is considered by staff and administration when reviewing student progress and determining whether additional or adjusted supports are needed.

5. Describe the method parents or legal guardians may use to provide feedback on the use of these funds.

Parents and legal guardians may provide feedback on the use of Section 31a At-Risk funds by contacting Charlton Heston Academy administration directly by phone, email, or in person. Families may also provide feedback through parent meetings, conferences, school communications, and discussions with teachers and administrators regarding the effectiveness of the interventions and services provided to students.
